*Comments from Board of Education Members:*

Alice Whited welcomed all of the new staff and was glad to see that we could all come together with the Teamsters Local 214.

Trena Szawara also welcomed all of the new employees and discussed how this district is one big family. She also thanked the Teamsters. She cannot believe that another school year is starting and wanted to wish everyone a great year.

Alice Ferguson stated that the new students seemed very excited to start the new year. She also welcomed all of the staff back and welcomed the new staff as well.

Nate Cornwall congratulated all of the new hires and thanked the Teamsters. He also commented about the “no homework policy” that some schools are starting. He likes the time he can spend with his kids, helping to work with them on their homework and would hate to see that go away.

Mike Gill welcomed all of the new staff and thanked the parents for bringing up their concerns. He also thanked that Teamsters and the H.E.A. for their ratifications that have taken place. M-Step results are out and he is looking forward to seeing our results.

*Superintendent’s Comments:*

Mr. Naughton thanked everyone in the room for a great start to the new school year. He will continue to monitor the number of students in the classrooms. He welcomed all of the new staff and thanked the Teamsters, all the support staff, administrators and teachers for everything that they have done. The SAT scores have come out and Huron was ranked 8 out of 31 districts. He will be working with the administrators to compile the results of the M-Step.
